SPA Kidz™ PARTIES

THE HOTTEST PARTY TREND!

Make your next party a SPAKIDZ Party!

*Did you know?
Headaches often come from tight muscles under the hair.*

We love being Spa Kidz!

Gather your friends together at a party that teaches everyone how to relax with style! Wrap yourselves up in a warm cozy **SPAKIDZ** bathrobe, and a **SPAKIDZ** headwrap for your hair. Take off your shoes and socks and relax to beautiful music while your Personal massage Therapist begins her work.

It's a fun and healthy way to share time with your friends.
